To the Men of the Delta Rho Upsilon Alumni Association:

I am writing to thank those of you who have supported the Alumni Association financially over the last several years. Your support is much appreciated. Included please find a listing of names, per our records, of alumni who have contributed since January 2011. I apologize if you have contributed but I have missed listing you. Please let me know if there are any errors and I would be pleased to correct the records.

Many members have made donations to Carroll University over the last several years and of those some have earmarked all or some of that money to the Delta Rho Upsilon Fraternity fund. These monies are made available to the Alumni Association to pay certain costs such as liability insurance and clubhouse rental. Please consider, when making donations to the University, to ask that your donation be placed in the DRU Fraternity fund. It is a great way to contribute.

If you have not recently contributed and are in a position to do so, please consider a contribution. Our main means of support is through the collection of dues. Payment can be made by using the form below or contributing to Carroll University in the name of the Delta Rho Upsilon fraternity fund.

Our mailing list contains over 800 names but we have less than 500 addresses and we have less than 200 alumni emails. We need your email address, if you have one, so we can reduce our mailing costs. If you received this mailing only by US mail and not also by email, we do not have a current email address for you. Please contact me at jmacy@ammr.net so we can add you to the email list.

Currently, the Executive Board is working to compile a complete listing of all pledge classes. I asked for your help last year in this regard and received very little information. If you have a listing or even a partial listing of your class members, or your class name, if any, please feel free to supply them to us. Ultimately we will be using this information to complete the process by obtaining current addresses and emails for all of the members.

Also, please find enclosed a schedule of upcoming events.

Homecoming is next month. I know that the graduating class of 1974 is planning a special reunion. Be sure to stop by and say hi to them.

Also for the last two years, we have tried something different. We have scheduled a picnic for the day before the Carroll University graduation. We send a special invitation to the graduating Actives (our newest members) and their families. Last year almost all of the Actives showed up even though many of them had returned home for the summer. The same is open to all actives, alumni and their families. Please try to attend.

Our Alumni-Active History Event is also very popular. It is an opportunity to hear stories from the past from the Alumni and learn what is currently happening from the Actives.

Last year we had monthly pizza parties on the first Tuesday of each month during the school year at the Clubhouse at 9 p.m. We are waiting to see if the Actives want to continue the same. Let me know if you are interested in attending and I will put you on the contact list. We send out monthly email reminders.

Please mark your calendar for all of the Social Events. It is a great way to keep connected to the Fraternity. The known dates of other upcoming events are noted so you can plan accordingly. Please also check the website at <http://deltarhoupilson.org> or the Delta Rho Upsilon Facebook pages at <https://www.facebook.com/groups/11701689810/> or <https://www.facebook.com/deltarhoupilson> for detailed information.

Once again, thank you for your support and I look forward to seeing you at the future events of the Association. If at anytime you have any questions, please feel free to contact me.

Yours in Brotherhood,

John P. Macy
